**FYE 2013**

**FYE 2014-2015**

**Per DPW:**

New construction always includes sewer and water tap.

May need street cut \$1,850 plus 10% for each (water & sewer) unless using one hole for both.

May need water service from stop box to meter. May need distribution as well.

*\*Licensed contractor must pull permits for sewer and water taps.*

Sewer repair that encroaches side walk must have engineering permit and, if contractor, may use existing Drainlayer Surety Bond, Power of attorney, and insurance. No Concrete Surety required per Engineering Technician.

**ENGINEERING, PAVEMENT CUT, AND RIGHT OF WAY PERMIT FEES**      \$50.00      \$50.00

**FEES**

(the fee is doubled for work started without a permit)

BEFORE A PERMIT IS ISSUED, the following information is required by the contractor:

1. Signed, sealed City of Ferndale Concrete Builder's Bond for \$2,500 (Original) with a 2 year life span
2. Signed, Sealed Power of Attorney attached to Bond form (Original)
3. Certificate of Liability Insurance to City of Ferndale (Original)

**Administration Fee (Per Permit)**      \$50.00      \$50.00

**Annual Contractor's Registration**      \$35.00      \$35.00

**Sidewalk and Approach Permits**

Prior to issuance of a permit, the contractor must determine the amount of sidewalk to be replaced. Contractors must have prior approval from the City Engineer to reconstruct flags deemed the City's responsibility. Property owners may secure a sidewalk or apron permit if they have prior approval from the City Engineer and execute a Homeowner's Affidavit.

Sidewalk (1 slab = 25 square feet)

25 sq. ft. - 200 sq. ft.      \$50.00      \$50.00
