

*Ferndale Day Camp  
proudly presents...*

## Mystery Week

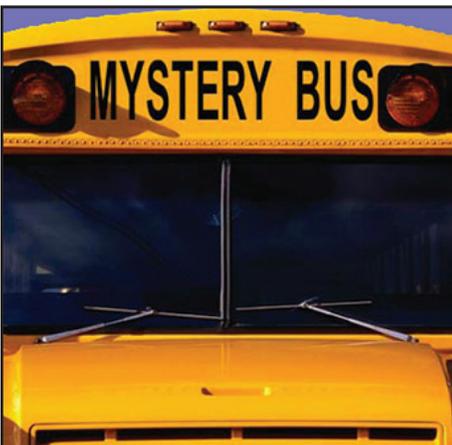

*Mystery Week at Ferndale Summer Camp brings a week of games, field trips and activities that ask campers to use and develop their critical thinking skills in order to accomplish a task. Aside from trying to figure out this year's mystery field trip, campers will also be tasked with following a number of clues in order to find a prize! But it's no mystery that we have games abound; we'll play a few rounds Centipede and Charades as well.*

### Come make memories with us!

*In the physical copy of this newsletter that parents will receive at the beginning of each session, this section will serve as a recap of the previous session, complete with pictures unique to the week's special events and field trips.*

*Join in on the fun. Come to Ferndale Summer Camp and help us fill this section each week with memories that will last a lifetime!*

Field Trip*

### Mystery Trip Can you guess it?

*As we do every week, we're going on a field trip. Where are we going? What are we doing? WHO KNOWS?!? But we'll have a bus that takes us to our destination. In previous years, campers have scoured every source imaginable trying to find clues about what the mystery trip was. There may even be one in this very newsletter...*
