PUBLIC WORKS

SNOW REMOVAL AND EMERGENCIES

The Michigan winter is upon us! The Public Works Department (DPW) plows streets according to the Winter Maintenance Guide schedule:

1. Major Roads
2. Emergency Routes
3. Sidewalks and Crosswalks
4. All Other Streets

Residents must shovel their sidewalks within 24 hours of snow accumulation. Please keep paths clear for people on foot, in wheelchairs, on bikes, or with pets.

A snow emergency is declared when weather conditions are hazardous, and roads are impassable. Vehicles must move off the streets into the designated snow emergency parking lots shown on the map below. Residents without a driveway or with accessibility concerns can apply for the Snow Emergency Exemption Parking Permit at ferndalemi.seamlessdocs.com/f/SnowParkingPermit.

*Please note: Residents can park in any of the parking areas mentioned above in the event of a snow emergency. The numbers above do not indicate an order or preference. They are for guide purposes only.

TRASH, RECYCLING, AND YARD WASTE

There are no garbage or recycling delays in January, February, March, and April. Yard waste season begins on Monday, April 6, 2026. Until then, yard waste can be dropped off at SOCRRA by appointment only. Visit socrra.org to learn more.

SUSTAINABILITY

RADON AWARENESS

Did you know? Radon is the second leading cause of lung cancer, and 3 in 10 homes have high radon levels in Oakland County. Radon is a naturally occurring odorless, colorless gas that can seep into homes through cracks or gaps in the foundation. Have you tested yours to make sure you're not at risk? Learn more at [epa.gov/radon/national-radon-action-month-information](https://www.epa.gov/radon/national-radon-action-month-information). City Hall will also offer radon test kits available for pickup.

PARKS & RECREATION

WHAT'S NEW AT OUR PARKS?

MARTIN ROAD PARK

This spring, Martin Road Park will transform with the addition of a modern restroom and concession facility, complete with inviting outdoor seating overlooking the Splash Pad.

HARDING PARK

Get ready for the Harding Park Inline Skating Rink project, expected to start construction this spring. The improvements will include a new and improved inline skating rink, accessible parking, smoother walking paths, and better ways to manage rainwater. Thanks to a grant from the Michigan Department of Natural Resources Land and Water Conservation Fund, this project is moving forward. We are also happy to announce a partnership with Patronicity, a foundation that supports community projects. We will work with them to raise money, and they will match our funding goal to support the project. Stay tuned for ways to get involved and help out!

NATIONAL POLICE WEEK

Each year, the Ferndale Police Department honors National Police Week to recognize the service and dedication of law enforcement officers. National Police Week will take place from Sunday, May 10, 2026, to Saturday, May 16, 2026. We invite you to join us in marking this important week. We will share more details soon on social media and the City website.

MEDICAL ALERT FORM

The Ferndale Police Department invites residents and caregivers to complete our Medical Alert Form. This voluntary form provides first responders with important medical information they may need in an emergency.

If you or someone you care for has a medical condition or accessibility matters that could affect communication or care, this form helps our police, fire, and EMS teams respond quickly and effectively.

All information is kept confidential and used only by emergency responders. Please keep it up to date so we always have the most accurate information when it matters most.

Please fill out the form at bit.ly/3NSSGrs.

FIRE

STAYING SAFE AND WARM

Michigan winters bring cold, ice, and dangerous weather. The Ferndale Fire Department offers safety tips to help you and your family stay safe and warm.

INTERNATIONAL FIREFIGHTERS' DAY

International Firefighters' Day will be held on Monday, May 4, 2026, to honor the firefighters who serve the Ferndale community. This is a chance for everyone to honor and recognize the life-saving work of our Ferndale firefighters.

FIRE SAFETY TIPS

- Be sure to learn the proper way to dispose of items that are flammable or chemically stained. Learn about proper disposal methods with SOCRRA's Waste Wizard. Simply search the item you are looking to dispose of and follow the instructions. Hazardous waste can be dropped off at the SOCRRA facility, located at 995 Coolidge Hwy, Troy, MI 48084. Visit socrra.org to make an appointment or use the Waste Wizard tool.
- Regularly clean your grills and barbecues to avoid grease buildup and debris.
- Remove yard waste materials, dead vegetation, leaves, and pine needles from your property and gutters.
- Clean your dryer's air exhaust vent pipe to prevent lint buildup. Empty your lint trap before/after using your dryer. Ensure the outdoor vent flaps are not obstructed. Keep flammable items away from the area. If clothes become in contact with flammable substances, lay them outdoors to dry before washing.

OPEN BURN PERMITS

If you live in Ferndale and use a fire pit, a yearly permit is required. You can apply online at the City's website at bit.ly/ferndaleopenburnpermit. The permit costs \$25 and lasts until the end of 2026. Please follow safety rules when having a backyard fire, and do not burn leaves.
